BIO

Alex Rinaudo is a Senior Vice President at Compass Lexecon. Over his 25-year career, Mr. Rinaudo has developed expertise in a wide range of financial and economic areas. With subject matter expertise in valuation, credit and solvency analysis, financial markets analysis, and other financial damages, he has supported experts and served as a consulting expert in the analysis and quantification of damages and other types of liability in disputes involving bankruptcy, mergers and acquisitions, market manipulation, breach of fiduciary duty, liability management transactions, ERISA litigation, securities fraud, and valuation of publicly and privately held corporations. Mr. Rinaudo has assisted attorneys on all phases of litigation including review of pretrial discovery, development of economic and financial models to analyze damages, critique of analyses by opposing experts settlement negotiations and preparation of testimony at depositions, trials, mediations, and arbitrations.

Earlier in his career, Mr. Rinaudo was a Director at AlixPartners where he supported clients through sponsor-led recapitalizations, pre-bankruptcy restructurings and liquidations including 363 asset sales. Mr. Rinaudo holds a B.S. from MIT and an M.B.A from NYU-Stern School of Business and has published articles in the Journal of Asset Management, the Journal of Derivatives and the Journal of Financial Transformation.
