## SELECTED EXPERIENCE

### Mergers & Acquisitions

- Joint Venture Codelco - SQM (2025): Provided economic advice to Codelco and SQM before China's State Administration for Market Regulation (SAMR) and Chile's National Economic Prosecutor's Office (FNE) with regard to a joint venture for lithium mining in the Atacama Salt Flat. Approved by both the FNE and SAMR, subject to certain remedies.
- Transportation industry (2025): Provided economic advice to two leading companies in the transportation industry in before competition authorities in Chile, Peru, and Brazil regarding a potential merger. Advised the companies from the outset on the preparation of notifications, assisted with information requests, and drafted various reports on the efficiency and potential risks of the transaction.
- Entertainment industry (2025): Provided economic advice to companies in the entertainment industry regarding a potential merger. Provided advice from the outset, calculated market shares, and collaboration in the drafting of the potential filing to the competition authority
- Telecommunication industry (2023): Potential Joint Venture between two companies in the telecommunications market. Advised the clients during the ongoing merger proceedings.
- Paper industry (2021): Potential Joint Venture between companies in the paper industry. Advised the client on potential efficiency gains and anti-competitive risks of the transaction.

## Litigation

- Yura (2024): Preparation of an economic report analyzing the evidence and arguments used by *Comisión de Defensa de la Libre Competencia de Indecopi* to find Yura guilty of alleged abuse of a dominant position in the cement industry in Peru.
- Latam Airlines vs ACHET (2023): Preparation of an economic report submitted by Latam Airlines to the *Tribunal de la Libre Competencia* (“TDLC”) in Chile regarding a lawsuit filed by ACHET due to Latam Airlines’ implementation of an NDC-based ticket distribution system. The TDLC ruled in favor of the airline denying the injunction (previously accepted), referring to the Compass Lexecon report as one of the reasons for its decision.
- Railway industry (2022): Damage estimation after legal proceedings of an alleged collusion in the railway industry.

## Arbitration

- Australis (2025): Preparation of an economic report at the request of the sellers—*Asesoría e Inversiones Benjamín S.A.* and other companies affiliated with Isidoro Quiroga—in connection with the arbitration regarding the sale of Australis Seafoods S.A. The work included an analysis of the damages estimate submitted by the buyers (Joyvo Group Co.) arising from the alleged concealment of information regarding salmon production quotas.
- Water Industry (2026): Submission of a economic report in connection with an arbitration proceeding between a water utility and a construction company regarding an alleged breach of a contract. Estimation of damages for construction cost and lost of profits.

## Market Investigations

- Retail industry (2025): Preparation of study with economic analysis related to a bidding process for a concession for a company in the retail industry.
- Mass consumption industry (2024): Analysis of the wholesale customer loyalty program of a leading company in the mass consumption industry, to determine whether these practices had the potential to exclude competitors.
- Telecommunication industry (2022): Industry analysis for a leading client in the context of an investigation from the competition authority.
