SELECTED CONSULTING EXPERIENCE

Damages

- Elevators (2021-2024, manufacturing and maintenance)
Assisted one of the elevator manufacturers, analysing the claimant's damage estimations and producing a rebuttal on the soundness of their calculations. The Belgian Court of Appeal fully rejected the European Commission 16-year-long damages claim against four elevator manufacturers.
- Heavy truck manufacturers (ongoing, manufacturing)
Quantification of damages in support of litigation in various European courts following on from the European Commission's finding of an Article 101 TFEU infringement.
- Power cables (2019-2020, technology)
Quantification of damages following on from the European Commission's finding of a cartel.
- Pre-stressing steel (2019)
Quantification of damages in context of civil proceedings in the Netherlands, following on from the European Commission's Article 101 TFEU infringement decision.

Mergers & acquisitions

- Vodafone/Three UK JV (2024, telecoms)
Economic advice to Hutchison in the context of the Joint Venture between Vodafone UK and Three UK (owned by Hutchison) cleared with remedies by the UK Competition and Markets Authority after a Phase II investigation. Contribution to the development of econometric analyses and simulation model based on discrete choice techniques.
- Philip Morris International/Swedish Match (2022, tobacco)
Economic advice on the competitive effects of the \$16 billion acquisition by Philip Morris International of Swedish Match, during pre-notification and the European Commission's Phase I investigation. Analysis of potential overlaps, affected markets and market shares across numerous products and countries. Conditional clearance.

- IAG/Air Europa (2019-2020, transportation)
Assessment of competitive implications of the transaction in the Spanish domestic market, under Phase II investigation by the European Commission.
- Pharmaceuticals (2019, healthcare and life science)
Assessment of competitive implications of a potential acquisition in the European market.
- E.ON/Innogy (2019, energy)
Advised E.ON during Phase II proceedings (asset swap deal between E.ON and RWE) before the European Commission. Market definition analyses, closeness of competition, assessment of remedies.

Antitrust

- Alleged cartel by salmon feed producers (ongoing, food)
In context of an investigation by the Chilean competition authority FNE, assistance with expert report to evaluate the existence of alleged cartel effects and the estimation of damages.
- Airline ticket distribution services (2019, transportation)
Assist Amadeus during the European Commission investigation of the airline ticket distribution services sector (AT.40617).
