## **SELECTED CONSULTING ENGAGEMENTS**

### **Mergers & Antitrust Reviews**

- On behalf of a multichannel video programming distributor, provide expert support submitted to the U.S. Department of Justice and the Federal Communications Commission on the potential effects of the Nexstar/Tegna merger.
- On behalf of Mattress Firm, provided antitrust risk assessment, support during FTC investigation, preparation of white paper submissions to the FTC, 2R and trial Discovery production, trial support, and assessment of divestitures and commitments.
- On behalf Kroger in its proposed acquisition of Alberston’s merger, supported expert testimony at trial on effects of proposed remedy.

- On behalf of merging parties, provided expert support and assisted counsel with submission of white papers to the FTC on CoreLogic's acquisition of ClosingCorp.
- On behalf of United Technologies and Rockwell Collins, provided expert support and white papers submitted to the U.S. Department of Justice and European Commission Directorate-General for Competition in the aviation industry.
- Provided expert support and white papers submitted to the U.S. Department of Justice on the potential effects of the Disney/Fox merger.
- Provided expert support and white papers submitted to the U.S. Department of Justice on the potential effects of the AT&T/Time Warner Merger.
- On behalf of merging parties, provided expert support and white papers submitted to the Canadian Competition Bureau in a wireless telecommunications merger.
- On behalf of merging electric and gas utilities, provided direct expert support on antitrust and regulatory review risk. Prepared analyses for direct presentation before the Federal Trade Commission. Oversaw preparation of expert testimony before state utility commission regarding competitive effects of the merger.
- For the Canadian Competition Bureau, provided analysis of risk of foreclosure and raising rivals costs concerns regarding vertical integration in an acquisition review in the mobile telecommunications industry.
- Provided consulting services to a third-party intervener in a state public utility commission electric-utility merger review proceeding. Gave expert advice on corporate governance issues, incentives for the merged firm to raise rivals costs, and incentives to deter entry.
- On behalf of merging electric utilities, supported various experts' testimonies in multiple state public utility commission proceedings, including issues of horizontal and vertical market power as well as incentives and ability to deter innovation, deter entry, or otherwise raise rivals' costs.
- While at the Department of Justice, conducted merger review in the following investigations: Exelon/PSEG (energy), Delta/Northwest (airlines), LiveNation/Ticketmaster (entertainment), Mirant/RRI (energy), Allegheny/First Energy (energy), Exelon/Constellation (energy), 3M-Avery (consumer products), Flowers/Hostess Brands (consumer products).

## Monopolization

- On behalf of Class Plaintiffs, support expert witness Dr. Douglas J. Zona in *Davita et al vs. Grubhub Inc., Uber technologies, Inc., and Postmates Inc., 1:20-cv-03000-LAK*.
- On behalf of a large health insurer in the U.S., provided expert support in a monopolization claim against a large healthcare provider, leading to successful settlement.
- On behalf of mobile carrier, assisted counsel with assessment of damages and liability in an antitrust dispute with a mobile network supplier, and supported submission of expert testimony of Dr. Jeffrey Prince before the Federal Communications Commission, leading to successful settlement.
- On behalf of Mesabi, an entrant in the US iron ore mining and processing industry, led team supporting expert witness on damages testimony, leading to successful dismissal of incumbent attempt to dismiss case (*Mesabi v. Cleveland Cliffs*).
- On behalf of U.S. Airways in the Southern District of New York, supported expert testimony regarding alleged monopolization claims against Sabre Inc (*US Airways v. Sabre*). Evaluated issues of

disparate pricing in two-sided markets and the potential market distortions from price discrimination and exclusive agreements

- On behalf of electric utilities in California, provided support for expert testimony on the existence and abuse of market power during the California energy crisis, under review at the US Federal Energy Regulatory Commission.
- While at the Department of Justice, investigated claims of monopolization conduct in the following cases: Google/Yahoo (search and advertising); American Express/Visa/MasterCard (payments), Visa (payments), Entergy (energy), BlueCross/BlueShield of Michigan (health insurance).

### **Price Fixing & Cartel Cases**

- On behalf of Class Plaintiffs, led team supporting expert witness Dr. Douglas J. Zona in the ATM No Surcharge Rule matter (*National ATM Council v. Visa et al.*).
- On behalf of a global investment bank in connection with a European Commission investigation of alleged collusion to manipulate foreign exchange benchmarks during 2008-2012, co-authored a report submitted to the EC on calculating the value of sales in foreign exchange transactions for determination of possible cartel fines.
- On behalf of the National Hockey League, supported testimony of Dr. Daniel McFadden and Dr. Ariel Pakes in a successful Daubert challenge of plaintiffs' expert (*Laumann v. NHL*). Evaluated complex econometric simulation models of consumer demand and entry and demonstrated the irrational behavioral assumptions for consumers and firms in plaintiffs' expert's economic model.
- On behalf of the Writer's Guild of America ("WGA"), supported expert testimony of Dr. James Reitzes related to antitrust and labor dispute concerns with talent agencies, leading to court dismissal of talent agencies' claims against WGA (*William Morris Endeavor Entertainment et al. vs Writers Guild of America, West et al.*)
- While at the Department of Justice, evaluated claims of price discrimination and calculated damages and volume of commerce in the following industries and/or cases: municipal bonds, air cargo shipments, and LIBOR manipulation.

### **Consumer Protection & Data Breach**

- On behalf of plaintiffs in a data breach matter, supported expert report testimony on scope of breach and potential damages.
- On behalf of General Motors, supported expert testimony in a class-action lawsuit brought against General Motors alleging harm regarding vehicle recalls due to ignition systems, in *In re: General Motors LLC Ignition Switch Litigation*.
- On behalf of plaintiffs in a false advertising matter, led team supporting Dr. J.P. Dube testimony in *In re: Shelly Benson and Lisa Caparelli, v. Newell Brands, Inc. and NUK USA, LLC*.
- On behalf of Class Plaintiffs, led team supporting expert witness Dr. Jeffrey Prince in *In re: Marriott International Inc., Customer Data Security Breach Litigation*, leading to successful certification of class.
- On behalf of Class Plaintiffs, supported expert testimony on the effects of Fiat-Chrysler's marketing of diesel-powered engines in relation to allegations that Fiat-Chrysler misled regulators and consumers regarding emissions in *In re: Chrysler-Dodge-Jeep Ecodiesel Marketing, Sales Practices, and Products Liability Litigation*

- On behalf of Class Plaintiffs, supported class certification and damages expert testimony of Dr. Peter Rossi in relation to allegations that freight truck manufacturer Navistar sold vehicles under the International brand with faulty diesel emissions systems controls, in *In re Navistar MaxxForce Engines Marketing, Sales Practices and Products Liability Litigation*.

### **Other Litigation**

- On behalf of music license organizations, provided consulting support in a matter before the Copyright Royalty Board.
- For a foreign owner of a gas-fired energy facility in international arbitration proceedings, supported expert testimony calculating damages from forced early termination of a gas supply agreement. Evaluated expected economic dispatch over the life of the contract and constructed a cash flow model to predict lost profits.
- On behalf of plaintiff-interveners in the DOJ's challenge of Texas voter ID laws, supported expert testimony that estimated racial disparity in costs and impact of obtaining an ID.
