## SELECTED CONSULTING EXPERIENCE

### Mergers and acquisitions

- IAG/Air Europa (2021, aviation)  
Economic analysis and support in the context of the European Commission's Phase II review of the proposed merger between IAG and Air Europa. Assessment of competitive effects in the Spanish domestic market.
- Hyundai Heavy Industries/Daewoo Shipbuilding & Marine Engineering (2019-2020, shipbuilding)  
Economic advice to HHI in the context of the proposed acquisition of DSME with proceedings before the European Commission.
- Spin-off Latin American bank (2019, financial services)  
Advice to a Spanish bank in the context of the proposed spin-off of one of their subsidiaries in Latin America. Assessment of potential antitrust risks, by establishing the relevant markets, developing market share estimates to identify the extent of the overlap with alternative purchasers, and developing and testing empirically alternative theories of harm.

### Litigation

- Fuel distribution (2023-2024)  
Economic advice in relation to Spanish follow-on damages litigation after 2009 CNMC Resolution on resale price maintenance conduct in the fuel distribution market. Production of rebuttal reports and analysis on the effect of the sanctioned conducts.
- Spanish milk (2023-2024)  
Economic advice in context of an aggregated damages claim after 2019 CNMC Resolution on information exchanges in the context of the wholesale market of raw cow milk. Production of report and analysis on the effect of the sanctioned conducts.

- Motor vehicles (2022-2023)  
Economic advice in relation to Spanish follow-on damages litigation after an Article 101 TFEU infringement fined by the CNMC in 2015, related to the distribution and marketing of motor vehicles in Spain. Production of reports on the analysis of the effect of the sanctioned conducts.
- Truck manufacturers (2019-2024)  
Economic advice in relation to follow-on damages litigation after an Article 101 TFEU infringement decision by the European Commission from 2016. Production of rebuttal reports and reports on the analysis of the effect of the sanctioned conducts.
- Smart card chips (2019-2020)  
Economic assistance to one of the smart card chip manufacturers that were fined in 2014 by the European Commission for coordinated market behaviour (Article 101 TFEU infringement) in relation to follow-on damages litigation.
