SELECTED CONSULTING EXPERIENCE

Mergers and acquisitions

- SES / Intelsat (2025, satellite communication)
Assisted with merger proceedings before the UK CMA, European Commission and multiple other NCAs globally since pre-notification stage. In particular, provided economic advice on potential issues arising from the horizontal and vertical relationships between the Parties' activities.
- Vodacom / CIVH (2024, telecommunication)
Contributed to drafting report assessing the likely competitive effects of a proposed transaction between Vodacom and CIVH in South Africa.
- Brookfield & Cameco/Westinghouse Electric Company (2023, nuclear electric power generation)
Advised Brookfield and Cameco in the context of the UK CMA and EC review of their contemplated JV by means of which they would acquire WEC.
- Broadcom / VMware (2023, technology)
Merger proceedings before the UK CMA, European Commission and multiple other NCAs globally.
- Saint Gobain / GCP Applied Technologies (2022, chemical admixtures)
Merger proceedings before the UK CMA.
- Yorkshire Purchasing Organisation / Findel Education (2020, educational materials)
£50 million acquisition by YPO of Findel. Merger proceedings before UK CMA (Phase II). Data submissions, customer overlap and switching analyses, analyses of customers' behaviour and market trends. Merger abandoned.
- Boeing / Embraer (2019/2020, air and spacecraft and related machinery)
Advised the Parties during merger proceedings across multiple jurisdictions, including the European Commission. Merger abandoned.
- Flybe / Connect Airways (2019, passenger air transport services)
Advised the Parties during merger proceedings before the European Commission.

- Energizer / Spectrum Brands (2018, consumer batteries, chargers, and lighting products)
Advised the Parties during merger proceedings before the European Commission.
- Praxair / Linde (2018, industrial gases)
Advised the Parties during merger proceedings before the European Commission and at several non-European competition authorities.
- ChemChina / Syngenta (2017, agrochemicals)
Advised ChemChina on their acquisition of Syngenta during merger proceedings before the European Commission and several non-European competition authorities.

Antitrust, arbitrations and damages cases

- Heavy Truck Manufacturers (since 2019)
Advised client on defending claims in follow-on damages actions from the EC Trucks Decision (German courts).

Market Studies and Investigations
