## **SELECTED CONSULTING EXPERIENCE**

### **Mergers and Acquisitions**

- Siemens/Alstom (2019, railway)  
Advised a third party opposing the blocked merger. Economic assessment of competitive effects.
- Widex/Sivantos (2018, hearing aids)  
Advised both merging parties during Phase I merger proceedings before the European Commission and during various filings in other jurisdictions worldwide. Extensive filing support and assessment of potential competitive constraints both upstream (manufacturing level) and downstream (retail level).
- Evaluation of the impact of a potential acquisition in the cosmetics sector (2018).
- T-Mobile NL/Tele2 NL (2018, mobile telecommunications)  
Economic analysis to Deutsche Telekom and T-Mobile NL during Phase II proceedings before the European Commission.
- Coca Cola/AdeS (2017, plant-based beverages)  
Advised one of the merging parties during filings in various Latin American countries. Analysis of the competitive effects of the transaction in the sector of plant-based beverages, using econometric techniques of demand estimation and merger simulation.
- NKT/ABB (2017, high-voltage power cables)  
Advised one of the merging parties during Phase I merger proceedings before the European Commission. Analysis of bidding data and closeness of competition in the sector of high-voltage power cables.
- Risk assessment of a potential acquisition in the jewelry retail business (2016).  
Catchment area analysis and analysis of local overlaps.

### **Antitrust**

- Ethanol price benchmark reporting (2018)  
Economic advice in context of the EC investigation into oil and ethanol price benchmark reporting (AT.40054)

- Abuse of dominance (2017)  
Advice on a potential determination by the Israel Antitrust Authority regarding an alleged abuse of dominance involving exclusionary rebates/discounts.
- Medical equipment (2016)  
Economic analysis of market definition in aftermarkets for certain medical equipment and detailed assessment of theories or harm.

### Damages

- Car parking heaters (2017)  
Estimation of overcharge from a price fixing agreement between manufacturers of car parking heaters in light of potential damages claims from automobile manufacturers.
- Alternators and starters (2016)  
Estimation of damages in the context of potential damages litigation following the cartel between manufacturers of alternators and starters.
