- **Liothyronine tablets (2021, CMA)**
Support to pharmaceutical clients during CMA investigation into alleged excessive pricing of drugs.
- **Media24 predatory pricing (2012-2018, SACC, SACT)**
Economic advice and expert report to the South African Competition Commission in context of its investigation into predatory behaviour by media firm Media24 in the market for local newspapers.
- **BT superfast broadband (2013-2015, Ofcom)**
Support to BT during Ofcom investigation into alleged superfast broadband margin squeeze (following a complaint from TalkTalk), and analysis of competition issues arising from BT's marketing of its new sports Pay TV offer, BT Sport (which is included in BT's broadband offer).
- **Sasol excessive pricing (2012-2015, SACT)**
Advice to Sasol in the context of the South African Competition Commission's excessive pricing investigation into Sasol's pricing practices in propylene and polypropylene. Expert reports submitted to South African Competition Tribunal.
- **Confidential (2013)**
Assessment of a potential margin squeeze case and a bundling case involving telecommunications, broadband and pay TV.
- **Postal Operator (2006, Postcomm)**
Support to a postal operator in proceedings by Postcomm regarding the alleged breach by Royal Mail of its license conditions.
- **Mažeikių Nafta (2005-2007, Latvian Competition Council/Vilnius Administrative Court)**
Support to Mažeikių Nafta during an investigation by the Latvian Competition Council and subsequent appeal at the Vilnius Regional Administrative Court related to pricing practices for petroleum products.
- **Partridge Publications Ltd. and Venture Marketing Group Limited (2004)**
Support to Partridge Publications in litigated abuse of dominance case before the UK High Court.

Risk assessment / potential complaint

- **Tobacco market definition (2022)**
Market definition and dominance assessments in markets for cigarettes and vapor devices.
- **BT FTTP (2018-2021)**
Assessment of potential competition issues arising from BT's roll out of fibre to the premises (FTTP).
- **Market definition FMCG (2013)**
Carry out survey to assess market definition as part of dominance risk assessment for FMCG supplier in Singapore.

Market Studies and Investigations

- **Grocery market study (2023-2025, CMA)**
Assistance to a grocery chain in context of the CMA's study to assess whether any competition issues in the grocery sector are contributing to inflation.

- Mobile browsers and cloud gaming market investigation reference (2025, CMA)
Economic advice to Google during UK CMA's market investigation in respect of the supply of mobile browsers and browser engines, and the distribution of cloud gaming services through app stores on mobile devices in the UK.
- FCA study wholesale data markets (2020 & 2023, FCA)
Assistance to an interested party in responding to a call for inputs by the Financial Conduct Authority in relation to accessing and using wholesale data in financial markets and assistance during the actual FCA market study.
- Mobile ecosystems market study (2022, CMA)
Advice to Google in the context of the UK CMA's market study into mobile ecosystems.
- Online platforms and digital advertising (2019-2021, CMA)
Economic assistance to Amazon in relation to the UK CMA market study into online platforms and digital advertising.
- Investment consultants market investigation (2019, CMA)
Advice to Lane Clark & Peacock during CMA investigation of the supply and acquisition of investment consultancy and fiduciary management services in the UK.
- Exclusivity clauses grocery retailers South Africa (2014-18, SACC)
Advice to a general merchandise retailer in South Africa in context of possible action against the major grocery retailers in South Africa based on their conduct to enforce exclusivity clauses with landlords, in order to restrict new entrants and expansion of smaller competitors.
- Private motor insurance (2013, CMA)
Support to Accident Exchange, a credit hire company, and the Credit Hire Organisation, the trade association of credit hire companies, in the context of the CMA market investigation into private motor insurance.
- Retail fuels (2013, OFT)
Advice to Asda Wal-Mart in the context of the OFT's investigation of the petrol and diesel fuels sector, in particular with regard to fuel pricing.
- Outdoor advertising (2011-2012, OFT)
Support to Clear Channel during OFT market study into outdoor advertising.
- Pay TV (2011-2012, Ofcom & CAT)
Advice to BT regarding Ofcom's market investigation into the supply and acquisition of subscription pay TV movie rights and the wholesale supply and acquisition packages including core premium movie channels.
- Payment Protection Insurance (2007-2010, CC)
Support to Axa during the CC investigation into the sector for payment protection insurance.
- Groceries market investigation (2006-2008, OFT/CC/CAT)
Support to Asda Wal-Mart during the OFT and CC investigation into the UK groceries market, and subsequent appeal at the CAT.
- Retail Banking Sector Inquiry: Payment Cards (2005-2007, EC, for credit card company)
Support to a credit card company during the EC retail banking -payment cards inquiry.

Arbitration

- QPR v English Football League (2015)
Support to EFL during arbitration before the Football Disciplinary Commission, in relation to the penalty that the Football League imposed on the QPR for breach of the Football League's financial fair play rules.
- Arbitration on unsuccessful implementation of a new IT platform (2014)
Support and expert report to a defendant in arbitration proceedings in Europe to assess the damages suffered by the claimant following an allegedly unsuccessful implementation of a new IT platform.

- Aluminum markets (2012-2014)
Support to Glencore in the context of an arbitration related to pricing in worldwide aluminum markets (i.e. the physical aluminum market and the aluminum market on the London Metal Exchange).

IP and Other Litigation

- Wage equalisation claims (2011-ongoing)
Economic advice and analyses related to the equalisation of wages in context of 'equal value' employment cases.
- Emissions (2019-2022, UK)
Advice to a defendant in an emissions related matter in litigation proceedings in the UK.
- Licensing of beverages brands (2019)
Advice to a third party on the implications of a licensing agreement between two beverage manufacturers.
- Tobacco plain packaging litigation UK (2015)
Assistance during litigation proceedings in the UK against the UK Department of Health, where client challenges the introduction of plain packaging policies. Expert report "The impact of tobacco plain packaging in Australia".
- Ryanair webscraping (2013)
Support to an Online Travel Agency in potential litigation against Ryanair for forbidding web scraping.
- Oil refining company
Conducted econometric event study in dispute under a bilateral investment treaty.
- Default Charges in Credit Card Contracts (OFT)
Support to a credit card company regarding the UK's Unfair Terms in Consumer Contract Regulations 1999 (UTCCRs).
- Coflexip v Stolt
Provided peer review to the NERA expert in a patent damages case before the UK High Court (matter settled).
- Hoechst Celanese v BP Chemicals
Conducted market analysis and financial calculations for BP Chemicals in the context of a patent infringement case.
- Pfizer
Assisted in determining an appropriate transfer price to satisfy UK tax authorities.
- Zeneca
Assisted in determining an appropriate transfer price to satisfy UK tax authorities.

Public Policy, Economic Regulation and Other

- Radiocentre – BBC Sounds (2021, Ofcom)
Assist Radiocentre in judicial review of Ofcom's decision to allow the BBC to launch Radio 1 Dance on BBC Sounds.
- Ofcom – framework for regulatory impact measurement (2020, Ofcom)
Support to Ofcom in developing its framework for assessing the impacts of its work (regulatory impact measurement).
- Ofcom – Wholesale Fixed Telecoms Market Review (2020, Ofcom)
Support to BT with its response to the WFTMR, especially with regard to Ofcom's approach to determine whether Openreach holds significant market power in the ultrafast broadband market segment.
- Tobacco – stockpiling inventory (2020)
White paper for a tobacco manufacturer on the economic/commercial rationales for businesses stockpiling inventory to manage the potential market impacts of anticipated regulatory changes.

- Vertical integration telecom operator (2016-17)
Analysis of impact of vertical integration between a telecom's operator upstream network business and its downstream business on the investment incentives of the upstream business. Analysis conducted in context of proposed changes by national telecommunications regulator.
- Soda tax (2016)
Economic analysis for a beverage manufacturer of the UK Government's proposals to introduce a 'soda tax' (i.e., a tax on added sugar soft drinks).
- Tobacco plain packaging (2015, 2017, 2022)
Reports for a tobacco manufacturer on the effects on cigarette consumption of the introduction of plain packaging in, e.g., Australia, the UK, France and the Netherlands.
- Tobacco Products Directive (2015-2016)
For a tobacco manufacturer, economic analysis in relation to the European Commission's Tobacco Products Directive.
- BT - consultation on VULA (2014-2015, Ofcom)
Economic advice to British Telecom in the context of Ofcom's consultation: "Fixed Access Market Reviews: Approach to the VULA [Virtual Unbundled Local Access] margin".
- Soda tax (2014)
Economic analysis for a beverage manufacturer of a soda tax imposed by the government of Mexico.
- Sasol Gas (2013-2015)
Assistance to Sasol Gas in the context of complaints lodged by gas customers against a decision of the energy regulator in relation to pricing of gas by Sasol Gas.
- Beer tie reform (2013-2014)
Advice to the British Beer and Pub Association (BBPA) in the context of the UK government's proposals to reform the beer tie. Analysis of the implications of various reform proposals for the financial viability of tenanted pubs.
- Compliance of regulated prices (2013)
Advice to a telecom operator in context of disputes regarding an allegation that its prices for certain regulated markets (e.g., wholesale ethernet and trunk) were non-compliant.
- Asda/Barker Review of Land Use Planning (2006)
Prepared submissions contributing to Barker recommendation to replace the Need Test in retail planning regulations.
- Nickelodeon UK/ DCMS Review of BBC Digital Services (2004)
Assisted Nickelodeon UK in developing its case against the BBC's introduction of new digital services to children.
- British Property Federation/ HM Treasury
Prepared a report on the effect of stamp duty on commercial property prices, which was submitted to HM Treasury (with Lord David Currie and Professor Andrew Scott).
- Anglian Water
Advised on market opening including interaction of competition policy and market opening policy.
- Poland Post
Advised on the regulatory environment for European postal operators to assist in development of regulatory strategy.
- Financial Services Authority (2003)
Advised the Economics Team on a confidential matter.
- Postcomm – Cost of the Universal Service Obligation
Prepared a Discussion Paper estimating the net avoidable cost of the USO.

- Postcomm – Liberalisation
Financial and economic modelling of the Royal Mail to inform market liberalisation.
- Postcomm – VAT Exemption analysis
Modelled the impact on the Royal Mail of a loss of the VAT exempt status of postal services.
- Postcomm – Postal access prices
Advised on the theoretical alternatives for access pricing and modelled the impact of access prices on the Royal Mail.
- Guernsey Post
Advised a non-EU postal operator on its terminal dues negotiation with a major postal operator.
- London Electricity (Part of EDF)
Undertook economic and econometric analysis to advise whether to appeal a licence modification proposed by Ofgem at the CC.
- Water
Analysis for a consortium contemplating acquisition and restructuring of one of the UK's water and sewerage companies.
- Singapore Post
Advice on the costs and benefits of sector-specific versus general economic regulation.
- Haryana State Electricity Company (India)
Assistance to the successor companies to develop regulatory strategy, compile regulatory submissions and analyse tariff options.
- Andhra Pradesh Safe Electricity Company (India)
Assistance to the successor companies to develop regulatory strategy, compile regulatory submissions and analyse tariff options.

Advice to regulators on general approach

- Competition Commission
Report on analytical procedures during the first two weeks of merger inquiries.
- Cooperation & Competition Panel
Advice on general economic approach.
- Postcomm – Regulatory Strategy
Advised on the implications of the Postal Services Act (2000) for the key options facing the regulator.

South Africa and Southern Africa – summarised list of experience

- Sun International Gaming/Peermont Gaming (2024)
Third-party intervention opposing the merger between Sun International Gaming Group and Peermont Gaming, which overlap in casinos in South Africa.
- Licensing of beverages brands (2019)
Advice to a third party on the implications of a licensing agreement between two beverage manufacturers.
- South Africa proposed changes in regulations (2018)
Economic report to telecoms client analysing amendments to the telecommunications regulations proposed by ICASA (Independent Communications Authority of South Africa) and proposed amendments to the South African Competition Act.
- Confidential merger (2018)
Risk advice and assistance with the preparation of merger notification submissions for a mobile telecommunications network operator in South Africa.

- Cement (2018) - Merger risk assessment.
- Exclusivity clauses grocery retailers South Africa (2014-18, SACC)
Advice to a general merchandise retailer in South Africa in context of possible action against the major grocery retailers in South Africa based on their conduct to enforce exclusivity clauses with landlords, in order to restrict new entrants and expansion of smaller competitors.
- Media24 predatory pricing (2012-2018, SACC, SACT)
Economic advice and expert report to the South African Competition Commission in context of its investigation into predatory behaviour by media firm Media24 in the market for local newspapers.
- Confidential merger (2016)
Economic advice in relation to an acquisition reviewed by the Competition Commission of South Africa and the South Africa Competition Tribunal.
- Sasol Gas (2013-2015)
Assistance to Sasol Gas in the context of complaints lodged by gas customers against a decision of the energy regulator in relation to pricing of gas by Sasol Gas.
- Sasol excessive pricing (2012-2015, SACT)
Advice to Sasol in the context of the South African Competition Commission's excessive pricing investigation into Sasol's pricing practices in propylene and polypropylene. Expert reports submitted to South African Competition Tribunal.
- Tsogo Sun / Sun International (2014, South Africa)
Economic assessment of the acquisition by Tsogo Sun of a minority stake in the casino business of Sun International in the Western Cape, South Africa, involving proceedings before the Competition Tribunal of South Africa.
- Sasol-Tariff protection
Directed various streams of economic analysis to assist Sasol in making submissions to Government in relation to a scheme of tariff protection.
- Sasol-Transfer pricing
Assisted in a high level review of transfer prices with a view to their adherence to arm's length principles.

India and APAC – summarised list of experience

- Google Play Store investigation India (2023)
Advice to Google during an investigation by the Competition Commission of India into Google's Play Store practices.
- Poultry feed (2023, Malaysian Competition Commission (MyCC))
- Market definition FMCG (2013, Singapore)
Carry out survey to assess market definition as part of dominance risk assessment for FMCG supplier in Singapore.
- Diageo / United Spirits (2012, CCI)
Assisted Diageo during merger proceedings with the Competition Commission of India, with overlap in sector for distribution of branded spirits and wine in India.
- Singapore Post
Advice on the costs and benefits of sector-specific versus general economic regulation.
- Haryana State Electricity Company (India)
Assistance to the successor companies to develop regulatory strategy, compile regulatory submissions and analyse tariff options.

- Andhra Pradesh Safe Electricity Company (India)
Assistance to the successor companies to develop regulatory strategy, compile regulatory submissions and analyse tariff options.

DIRECTORY REFERENCES

Competition Economists

- “Neil is fantastic and my first-choice competition economist. He is extremely bright, understands issues quickly, able to absorb the detail and zoom out to the points that matter. On top of this, he’s very pleasant, responsive and easy to work with.” (Lexology Index 2025)
- “Huge raw intelligence, excellent analytical skills and fantastic experience. Plus, a great communicator.” (Lexology Index 2025)
- “He quickly got to grips with a complex market and produced excellent analysis with incredible speed. Their work is of a high standard and is trusted by authorities. They are my go-to when I need reliable and credible economic support in a complicated matter.” (Lexology Index 2025)
- “Compass Lexecon are simply superb - they are the market leading economists when it comes to competition claims in the CAT. Neil Dryden was our secret weapon - he is incredibly thorough and thoughtful, with a fantastic supporting team.” (Lexology Index 2025)
- “He is respected by courts and the tribunals, a very safe pair of hands.” (Lexology Index 2025)
- “Very good economist. Sheer intellect, is very bright and good at taking relatively complex concepts and thinking about relatively straightforward ways to demonstrate if they are right or wrong, uses data in a creative way.” (Lexology Index 2025)
- “He is very involved in the preparation of the hearing and the case’s arguments. He is very good, user-friendly, and a leading competition economist.” (Lexology Index 2025)
- “Understated person, effective, quietly spoken but confident, presents well.” (Lexology Index 2025)
- “They are extremely thorough, very bright and come across honestly in the witness box. Strong analytical skills, good at breaking concepts down into bite size chunks.” (Lexology Index 2025)
- “Neil is the best analytical economist I have come across. Also a great performer in Court. Fiercely independent, which is great for maintaining the professional respect that he commands from Courts and Tribunals. But also a great team player and very user friendly.” (Lexology Index 2024)
- “Class act, top of the top - amongst the absolute best, spectacular and 5 stars, very bright and switched on.” (Lexology Index 2024)
- “Efficient, incisive and significant value add. Huge intellect. Clear. Responsive. Easy to deal with.” (Lexology Index 2024)
- “Very succinct and user friendly. Incredibly diligent and efficient.” (Lexology Index 2024)
- “He is very easy to work with, has a clear and straightforward manner, and is exceptionally bright and switched on.” (Lexology Index 2024)
- “He can distil complex issues and provides clear, simple and compelling analysis.” (Lexology Index 2023)
- “Great to work with.” (Lexology Index 2023)
- “He is outstanding!” (Lexology Index 2023)
- “Simply one of the best.” (Lexology Index 2023)
- “Clever, thorough and easy to work with.” (Lexology Index 2022)

- “A standout expert in the field.” (Lexology Index 2022)
- Neil Dryden enjoys a strong reputation for his exceptional work on damages claims across a broad range of industries. (Who’s Who Legal 2021)
- Respondents laud Neil Dryden as “a very strong technical practitioner and a great tactician with a very client-friendly approach”. He brings “efficient and goal-oriented analysis” in competition policy issues across a range of sectors. (Who’s Who Legal 2020)
- Neil Dryden ranks prominently in our research this year as one of the foremost competition economists in the region. He is lauded as “a bright guy” and “fantastic” adviser who “gets the job done”. (Who’s Who Legal 2019)
- Neil Dryden is frequently involved in complex, high-value cases in the banking and finance, energy, TMT and pharmaceuticals space. He is praised as “a leading voice in international competition economics”. (Who’s Who Legal 2018)
- Neil Dryden is an “experienced and calm-headed” expert who is a “top-ten economist” in the UK according to numerous peers as well as our research. (Who’s Who Legal 2017)
- London-based Neil Dryden is “a definite leader in the field”. He stands out for his “incredible ability to marshal huge amounts of complex information all at once.” (Who’s Who Legal 2017)
- Neil Dryden “has a first-class analytical mind and is able to conceptualise and develop rational and compelling arguments in connection with commercial issues that also make sense from an economic perspective.” (Who’s Who Legal 2016)

Arbitration Expert Witnesses

- Neil Dryden enjoys a stellar reputation for his “clear and authoritative oral presentation”. One source comments, “I’ve never seen anyone better at unpacking and explaining complex theories and then analysing other experts’ attempts to rely on and extend these theories – it was quite brilliant.” (Who’s Who Legal 2021)
- Neil Dryden is an “exceptional” and “robustly unpartisan” expert with pan-industry experience in damages, antitrust and competition matters. Peers admire his “measured, precise, and helpful” approach and his “unrivalled” ability to “clearly explain very complex theory”. (Who’s Who Legal 2020)
- Sources call him “an excellent economist and a very impressive witness who withstands cross-examination very well”. (Who’s Who Legal 2019)
