SELECTED CONSULTING EXPERIENCE

Litigation

- Credit card interchange fees UK (2023 - ongoing)
Assistance to a large number of retailers, service providers and other organisations that take credit card payments in the context of Merchant Interchange Fee Umbrella Proceedings against Visa and Mastercard in the UK. Production of reports on various economic issues relating to overcharges on credit card interchange fees, including pass-on and various 'efficiency' exemptions.
- Spanish milk (2023 - ongoing)
Assessment of potential damages by a group of claimants resulting from a cartel among milk producers (CNMC's file S/0425/12 Industrias Lácteas 2) in context of litigation before the Spanish commercial courts.
- Heavy truck manufacturers (2019 - ongoing)
Conducted economic and econometric analyses for a multinational truck manufacturer, in preparation for civil antitrust damages litigation in EU courts, following an Article 101 TFEU infringement settlement with the European Commission.

Mergers

- Vodafone/Nowo (2024)
Assistance to Vodafone during its planned acquisition of Nowo Communications, under an in-depth Phase II investigation by the Portuguese Competition Authority. Analysis of both unilateral and coordinated effects of the merger in the Portuguese telecommunications landscape.
- IVC/Independent Vet Businesses (2023)
Analyses focused on local overlaps, as the UK CMA found competition concerns in the supply of veterinary services for household pets in several local areas. Phase I conditional clearance.
- Stonegate Pub Company / EI Group (2020)
Conducted local overlap analysis to identify areas of potential antitrust concern. Contributed to remedy design. Phase I conditional clearance.
