SELECTED CONSULTING EXPERIENCE

Antitrust & Litigation

Information exchange: economic advice on competitive effects of information exchanges in various industries.
Selected cases:

- Warehouse operators, Singapore (2025-2026): Advice to the Competition and Consumer Commission of Singapore in its first-ever appeal to the High Court of Singapore regarding an information exchange between warehouse operators.
- Aviation insurance broking, Brazil (2022-present): Support to an insurer during an investigation opened by the Brazilian competition authority CADE into alleged illegal information exchange between aviation insurance brokers.

Abuse of dominance: economic advice on various abuse of dominance claims in technology markets. Selected cases:

- Which? v Qualcomm, UK (2023-2025): Advice to Qualcomm in context of an opt-out class action initiated by consumer association Which? before the UK Competition Appeal Tribunal. Assessment of abuse of dominance claim in relation to smartphone chipsets.
- Google Play Store investigation, India (2022): Economic advice in relation to the Play Store investigation by the Competition Commission of India, relating to Google's mandatory use of its payment system.
- Technology company, EU (2021): Economic advice to a major provider of digital content services in making a complaint to the European Commission alleging abuse of dominance by a technology company.

Damages calculation: Estimating damages in Intellectual Property and damages claims. Selected cases:

- Technology company (2024): calculation of FRAND royalties in an arbitration.
- Heavy truck manufacturers (2019-2022): Economic and econometric analyses to estimate damages for legal proceedings following an Article 101 TFEU infringement by heavy truck manufacturers.

State Aid & Foreign Subsidies Regulation (FSR)

Economic advice in relation to various (in-depth) Foreign Subsidies Regulation investigations including in the manufacturing, energy, and retail industries.

Mergers and acquisitions

- TIL/Hutchison Ports/TERCAT (2025-2026, container terminal services and container liner shipping)
Provided economic advice in merger proceedings before the European Commission (Phase II).
- MSC/HGV/HHLA (2024, container terminal services and container liner shipping)
Provided economic advice to MSC in merger proceedings before the European Commission.
- Broadcom/VMware (2023, technology)
Provided economic advice to Broadcom in merger proceedings before the US FTC and various APAC authorities.
- Tencent/Sumo Digital (2022, video games)
Assisted Tencent Holdings (with a 40% stake in Epic Games) with filings to the UK CMA regarding their acquisition of Sumo Digital, a British video game developer.
- True/DTAC (2021, telecommunications)
Provided economic advice to True and Dtac in merger proceedings before the Thai authority.
- PKN Orlen/Lotos (2020, oil refiners)
Provided economic advice to PKN Orlen and Lotos during pre-notification, Phase I and Phase II merger proceedings before the European Commission. Economic analyses included an assessment of the competitive constraints of imports, quantitative submissions including bidding data analysis, price correlation analysis, and critical loss analysis. Designed the remedy package.
- E.On/Innogy (2019, energy)
Provided economic advice in merger proceedings before the European Commission. Economic analyses included an assessment of the likelihood of unilateral effects and proposed remedies.
- Marsh & McLennan Companies/Jardine Lloyd Thompson Group (2019, insurance broking)
Provided economic advice to MMC in merger proceedings before the European commission. Analysed overlap markets and designed the remedy package.
- The Walt Disney Company/Twenty-First Century Fox (2018, movie studios and TV channels)
Provided economic advice to The Walt Disney Company in proceedings before the European Commission.

Advisory and white papers
