SELECTED CONSULTING EXPERIENCE

Mergers & Acquisitions

- **Merger transaction in Argentina (2026, ongoing)**. Independent economic advice related to a merger transaction in Argentina.
- **Merger transaction (2026)**. Independent economic advice related to a merger transaction. Compass Lexecon conducted a preliminary competitive risk assessment and subsequently provided support during the merger notification process.
- **Merger transaction in Chile and Colombia (2024, services sector)**. Independent economic advice related to a merger transaction in Chile and Colombia. Compass Lexecon conducted a preliminary competitive risk assessment, including the development of economic methodologies to evaluate potential competition concerns arising from the transaction.
- **Potential merger transaction (2024, payment systems)**. Independent economic advice related to a potential merger transaction in the payment systems sector. Compass Lexecon prepared a preliminary risk assessment presentation.
- **Merger transaction (2024, consumer staples)**. Compass Lexecon provided economic advice in connection with the competitive assessment of the transaction, which was unconditionally cleared in Phase I.
- **Matetic Conrad/Inchalam (2023, steel)**. Independent economic advice to the Matetic Conrad family before the FNE in connection with the acquisition from Bekaert of the remaining 52% of Inchalam, a leading operator of steel wire transformation and coating technologies. Compass Lexecon prepared a preliminary risk assessment presentation. The FNE cleared the transaction following a Phase I investigation.
- **Hapag-Lloyd / SAAM merger (2023, ports and maritime transport)**. Independent economic advice in connection with the vertical merger involving Hapag-Lloyd and SAAM. Compass Lexecon provided economic analysis concerning the potential competitive effects of the transaction during the merger review process. The transaction was unconditionally cleared by the Chilean Competition Authority (FNE) following a Phase II investigation.
- **Merger transaction (2023)**. Compass Lexecon conducted a preliminary competitive risk assessment, including the development of economic analyses and methodologies to evaluate potential competition concerns arising from the transaction. The transaction was unconditionally cleared by the Chilean Competition Authority (FNE) in Phase I.
- **VTR / Claro Chile merger (2022, telecommunications sector)**. Independent economic advice to parent companies América Móvil (Claro Chile) and Liberty Latin America (VTR) regarding the creation of a joint venture involving the combination of telecommunications providers VTR and Claro Chile. The transaction was investigated by the FNE. The horizontal merger was conditionally cleared following a Phase II investigation.

Abuse of dominance

- **Independent economic advice related to alleged abuses of dominance (2026, ongoing)**.
- **FNE complaint against Terminal Pacífico Sur S.A., San Antonio Terminal Internacional S.A., and DPW San Antonio S.A. (2025, ports, ongoing)**. Independent economic advice to DPW San Antonio regarding alleged abuses of dominance arising from the imposition of cargo security charges on exporters and importers of goods. The case is currently under review by the TDLC. Co-author of two economic reports submitted to the TDLC: the first analyzing the economic basis of the FNE's complaint, and the second critically assessing the reasoning and methodologies employed in the economic report prepared by the FNE.
- **Independent economic advice related to alleged abuses of dominance (2025, ongoing)**.
- **Modo v. Mercado Libre Argentina (2024, payment systems)**. Independent economic advice to assess alleged abusive conduct by Modo. Compass Lexecon prepared an economic report analyzing the economic basis of a complaint filed in 2023 before the Comisión Nacional de Defensa de la Competencia. In addition, Compass Lexecon prepared an economic report assessing Mercado Libre's dominant position in the marketplace and digital wallet industries in Argentina, and the potential effects on competition of its self-preferencing and tying practices. The case is under investigation by the Comisión Nacional de Defensa de la Competencia.
- **FNE/VTR v. CDF (2023, telecommunications)**. Economic advice to CDF in a TDLC case involving allegations of abuse of dominance in the pay-TV rights for Chilean soccer. The work included economic analysis of joint sales, resale price maintenance, and other practices. Compass Lexecon submitted a report assessing the potential competitive harm to consumers.

Cartels and Damages

- **Independent economic advice related to consumer damages (2026, ongoing).**
- **Cencosud v. Consumer Associations (2024, consumer staples)**. Economic analysis for a claim before the TDLC concerning alleged consumer harm arising from a price-fixing agreement among major supermarket chains (2008–2011). Compass Lexecon prepared an economic report assessing whether Cencosud's fresh chicken sales data indicated consumer harm. Compass Lexecon presented its findings to the TDLC at a hearing.
- **Independent economic advice related to consumer damages arising from a collusive agreement (2022)**.

Other competition-related matters

- **Independent economic advice related to relevant market definition (2026)**. Co-author of an economic report addressing relevant market definition and potential market segmentation.
- **Independent economic advice related to relevant market definition (2025)**. Co-author of an economic report on relevant market definition for various products.
- **TDLC proceeding regarding the tender for Port of Valparaíso Terminals 1 and 2 (2025, ports)**. Compass Lexecon prepared an independent economic report for Terminal Investment Limited, a subsidiary of Mediterranean Shipping Company, one of the world's leading shipping lines. The report assessed the tender mechanism proposed by the port authority and its impact on competition. It also analyzed the effects of vertical integration restrictions in the market. Independently prepared and delivered the presentation of the report's main conclusions before the TDLC as Compass Lexecon's sole presenter at the hearing.
- **Independent economic advice related to port concession negotiations in Chile** (2024, ports).
- **Independent economic advice related to port concession negotiations in Chile** (2022, ports).
- **FNE Gas Market Study** (2021, energy). Independent economic advice to Lipigas, a vertically integrated natural gas and LPG distributor, during the year-long investigation conducted by the FNE. Compass Lexecon participated in the design of policies to address the FNE's theories of harm and helped rebut the FNE's proposal to impose vertical separation on the industry.

Arbitration

- **Independent economic advice in an arbitration concerning breach of contract** (2026, ongoing).
- **Independent economic advice in an arbitration concerning the economic interpretation of a contract clause (2026)**. Co-author of an economic expert report.
- **Copiapó Airport Concessionaire v. State of Chile (2023, airports)**. Advised Chile's Ministry of Public Works in an arbitration brought by Sociedad Concesionaria Aeropuerto Regional de Atacama S.A. concerning COVID-19-related revenue losses at Copiapó Airport. Compass Lexecon prepared an economic report assessing the claimant's allegations and presented it to the arbitral tribunal. Led the technical development of the economic report, with substantial autonomy, and maintained regular communication with the client.
- **Santiago Airport Concessionaire v. State of Chile (2022, airports)**. Advised Chile's Ministry of Public Works in an arbitration brought by Sociedad Concesionaria Nuevo Pudahuel S.A. concerning COVID-19-related revenue losses at Santiago Airport. Compass Lexecon prepared an economic report assessing the claimant's allegations and presented it to the arbitral tribunal. Coordinated the development of the economic report, including its underlying economic analysis and methodologies, and maintained regular communication with the client.
- **Independent economic advice related to a potential arbitration** (2022, consumer staples).
