SELECTED CONSULTING EXPERIENCE

Mergers and Acquisitions

- Bell Media Inc. / OUTFRONT Media Inc. (2023-2024, out-of-home advertising)
Economic advice to the Parties during risk assessment phase and initial merger proceedings before the Canadian Competition Bureau; eventually resulting in conditional clearance. Analysis of market shares and market sizing.
- Yokohama Rubber Company/Trelleborg Wheel Systems (2022-2023, tyre manufacturing)
Economic advice to the Parties during merger proceedings before the European Commission and UK CMA; resulting in unconditional clearance in Phase I. Assessment of closeness of competition through pricing analysis across tiers.
- Parker Hannifin / Meggitt (2021-2022, aerospace component manufacturing)
Economic advice to the Parties during merger proceedings before the European Commission, UK CMA and US DoJ; resulting in conditional clearance in Phase I. Analysis of market shares and market sizing.
- Auction Technology Group / LiveAuctioneers (2021, provision of auction digital platform services)
Economic advice to the Parties during merger proceedings before the UK CMA; resulting in unconditional clearance in Phase I. Analysis of market shares and assessment of closeness of competition through homing analysis.
- Aon / Willis Towers Watson (2021, insurance broking)
Economic advice to Aon during proposed acquisition of Willis Towers Watson. Merger proceedings before European Commission (Phase II); resulting in conditional clearance in Phase II. Merger eventually abandoned. Analysis of market shares and market sizing.

Antitrust: Conduct

- Abuse of dominance, rebates (2022, digital platforms)
Economic advice to a Nordic firm on potential allegations by an NCA on abuse of dominance related to a multi-sided digital advertising platform's pricing structure with rebates; case dropped by the NCA.
- Abuse of dominance, price discrimination (2020-2021, FMCG)

Economic advice to a multinational FMCG manufacturer on allegations by an NCA that it has abused a dominant position through anticompetitive price discrimination; case dropped by the NCA.

Litigation

- Abuse of dominance, (2022-ongoing, digital platforms)
Economic analysis for an expert report on market definition, market power and assessment of effects of conduct in an undisclosed case related to a global multi-sided digital platform.
- Predatory pricing, (2023-2024, cash management services)
Assistance to court-appointed economic expert with assessment of cost models submitted by each Party in relation to alleged predatory pricing.

Antitrust: Damages

- Interchange Fees (2024-ongoing, digital platforms)
Economic advice to various claimants challenging MasterCard's and Visa's interchange fees before the Competition Appeal Tribunal in the UK. Econometrical analysis of cost pass-on into prices.
